Challenge Coin Fund Raiser

We currently have the Third Coin in our series. The LeJeune challenge coin pictured above (actual size 1-3/4 inch) was donated to the Foundation by the Southeast Division in 2014. The Foundation is using these coins as a fund raiser.

Five hundred of the coins were minted and are numbered sequentially from 1 to 500. If you purchased a previous coin, you may have asked us to reserve this coin for you. There are several coins that have not been reserved and are on a first come first served basis. Coins are sold for \$20 and will be sent by 1st class mail for an additional \$5 each.

Please send this completed form with a check or money order for \$25 made payable to the Marine Corps League Foundation to the following address:
